

Dear Friends of the Blue Ridge Partnership for Children,

As you know COVID 19, the Coronavirus, has come to North Carolina and efforts are underway to reduce exposure to the virus as much as possible. The safety of our families is always our top priority and, if we can help in some small way to reduce exposure to the Coronavirus we want to do that. Governor Cooper has declared a state of emergency for North Carolina and our leading health officials recommend that non-essential public events be postponed. With all of this in mind, the Partnership has decided to postpone BLOCK Fest in Yancey County and Child Fest at Mitchell High School. We will reschedule these events as soon as possible and will let you know when we do.

Thanks for your understanding and stay well.

Sincerely,
Blue Ridge Partnership for Children
